Please return to Miss Roberts by Friday 8<sup>th</sup> December 2023

# Can you be a 'Science Captain'?

**Job title:** Science Captain

**Required:** All year round

**Positions available:** 8 (2 from each year group)

**Available to:** Years 3, 4, 5 and 6.

**Selection process:** Applications to Miss Roberts

## Job Description:

You will be working in a special group and will look at science in your classroom, in other year groups and across the school - what makes this good and what can we do to make it better.

## Personal specifications:

You will need to have:

- Have a passion for Science and is enthusiastic
- Enjoy learning about facts, the world around us and how things work
- Good communication skills
- Enjoy helping other children succeed
- Be reliable to give up your time - lunchtime science club (1x a week)
- Be patient and kind to helping others and the environment
- Model good behaviour at all times
- Model and take part in experiments with other children.

## Training:

Full training will be given by Miss Roberts and Mrs Fatima. You will be trained to discuss science openly using your books, work with other children in other classes, how to support different teachers and how to look after science equipment.

## Who are we looking for?

We are looking for children who want to improve Science across the school and promote its importance. You need to be someone who can help others, discuss opportunities and raise the profile of science across the school and somebody who are keen to share their passion of science with others.
